

Medi-10 HC 90° Tap Spout

AT07-101

Medi-10 HC 90° Tap Spout

Medi-10 Healthcare Spout™ manufactured in 316 stainless steel with a brushed finish. Designed for healthcare environments with a twist and lock wall mounted spigot mechanism, the spout can easily be removed for servicing for minimal disruption. The spout has been designed to promote and maintain high levels of hygiene with an unrestricted outlet, smooth flow channels and easy to clean shape. The Medi-10 spout can also be autoclaved.
