

Luxury Retailer fits DVS Aquarius taps

DVS recently supplied a large number of taps to Harrods. As one of the world's most famous luxury department stores, Harrods greets millions of visitors every year. When choosing products for their washroom refit a sleek design aesthetic as well as a product that can cope with high traffic usage was a very important part of the selection criteria.

The Aquarius wall mounted and deck mounted taps will complement the luxury design of bathrooms whilst standing up to the pressure of being used frequently throughout the day.
