

## Environmental Policy

Dart Valley Systems Limited (DVS), as a Manufacturer and Supplier of Water Management Systems, is fully aware of its responsibilities in respect of the environment. The Company takes a pride in being one of the most pro-active Companies in the UK with regards to helping reduce the waste of water.

Whilst the major impact we can make will be with regards to the innovative water saving products we produce and the help and advice we provide to help people reduce their water use, we are also aware of the importance of adopting our own internal environmental standards.

To this end, the management team is committed to following an environmental policy of continual improvement and prevention of pollution.

Dart Valley Systems Limited (DVS) (the 'Organisation') recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with all legal requirements relating to the manufacture and supply of water management systems. It is the Organisation's declared policy to operate with and to maintain good relations with all regulatory bodies.

It is the Organisation's objective to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementation of the following:

- a) Assess and regularly re-assess the environmental effects of the Organisation's activities
- b) Training of employees in environmental issues
- c) Minimise the production of waste
- d) Minimise material wastage
- e) Minimise energy wastage
- f) Promote the use of recyclable and renewable materials
- g) Reduce and/or limit the production of pollutants to water, land and air
- h) Control noise emissions from operations
- i) Minimise the risk to the general public and employees from operations and activities undertaken by the Organisation

All employees receive awareness training during induction and will be expected to support this policy.

This Policy is communicated to all employees, suppliers and sub-contractors and is made available to the public.

Signed

Mike Porter
