RED 3020

BLUE 5002

GREEN 6010

YELLOW 1016

The DVS Anti-Microbial Range features Biomaster Silver Ion Technology for long term defence against harmful bacteria.

The Anti-Microbial properties reduce or destroy the presence of microbes such as bacteria and mould.

## MEDI SPOUT™

The Medi Spout™ range was designed to meet the high standard of hand wash hygiene demanded by hospitals. This range is perfectly suited for Healthcare sectors where hand hygiene is of the utmost importance.

The spouts are moulded in ABS with a Silver-Ion Anti-Microbial additive to help prevent the growth of waterborne bio-films that can very easily spread.

- Slim, minimalistic, modern appearance
- Durable ABS coloured finish, also available in white
- Anti-Microbial ABS with added Biomaster silver ion technology for long-term defence against harmful bacteria.
