

## Round inset sink bowl

### D20142N

Round inset sink bowl

This range of round inset sink bowls is manufactured from 1.2mm thick, grade 1.4301 (304) stainless steel, satin polish finish. All the bowls incorporate a rimmed edge for inseting into a worktop. All three bowls are prepared for a 32mm waste outlet. Waste fittings can be supplied as an extra. No tapholes are provided, any taps to be fitted must be mounted either through the worktop or wall mounted.

Supplied complete with fixing adhesive. NOTE: It may be necessary to notch the worktop when fitting an overflow.

### Technical data
