Airblast hand dryer

The Airblast hand dryer is a high powered, fast drying, innovative hand dryer. It has an internal switch that enables a choice of cool air at 550W or warm air at 1400W. Drying time is approximately 10-12 seconds and with a noise level of only 78dB, it's ideal for retro-fit as larger body covers screw holes which makes it a must for any commercial washroom. Touch free operation with blue down light.

Available in 4 variants: White Aluminium, Black Aluminium, Satin Stainless steel and Polished stainless steel
