

Six person circular washtrough

SANX600

Six person circular washtrough - self closing taps

Designed to be highly durable and water efficient and to withstand intensive use in a busy environments, the circular washtroughs are highly vandal resistant. The products are for up to 6 person operation with a choice of non-touch infra-red controls or manually operated self closing taps, designed to save water and energy with adjustable flow time. Both tap options are available with soap dispensers. The large floor mounted base provides good stability.
