

G22006L

Hospital sink

A single bowl/single drainer sink manufactured from 1.2mm thick, grade 1.4301 (304) stainless steel, satin polish finish. This sink top is turned down on all four edges and incorporates a wet area recess. The bowl is prepared for a 38mm waste outlet. L or R refers to the handing of the drainer ie. left or right when facing front of unit.

NOTE: It is not possible to fit an overflow. The sink top can either be mounted on wall brackets or front leg supports.
