

4 person Miranit washtrough with tap holes

SOLX2400T

Washtrough with tap holes

4 person Miranit washtrough with tap holes. Made from Miranit resin bonded mineral material, with an alpine white gelcoat surface finish that's smooth, and temperature resistant up to 80°C. The seamlessly moulded trough and pore-free surface make the Miranit SOLX washtroughs extremely hygienic and easy to clean, whilst the fracture proof robust material makes them ideal for even high usage areas.

The product has an integral back panel which has brackets and fixing holes for wall mounting, and can either be left as a floating unit or integrated with vanity unit to hide pipework and plumbing materials. 32mm waste kit with overflow is included.

Technical data

Gross weight	72kg
Net weight	72kg
