

Inset sink

B20085R

Inset sink

A single bowl/single drainer inset sink manufactured from 0.91 mm thick, austenitic type 304 stainless steel, satin polish finish. This sink has all four sides incorporating a rimmed edge profile, suitable for inserting into a standard sized worktop. The bowl is prepared for a 38mm waste. Supplied complete with fixing clips.

CE Certified
Single bowl, RH single drainer, with tapholes at 180mm centres and overflow
