

## DARTMOUTH Hand dryer Black PVD finish

Model line: DARTMOUTH | **AT10-042**

### AT10-042

Dartmouth hand dryer Black PVD finish

Stainless steel touch-free hand dryer with a black PVD finish, manufactured from grade 304 stainless steel. The Dartmouth hand dryer provides a sleek and efficient solution for modern washrooms. Available in stylish PVD Black, elegant Gold, or classic Satin finishes, this hand dryer combines form and function to elevate any restroom setting.

The compact design makes it ideal for space-saving installations, and the vandal-resistant construction ensures durability in high-traffic public areas. With a fast 10-second drying time and an automatic 60-second shutoff, this dryer offers both speed and energy efficiency.

### Technical data

Material	304 stainless steel
