DELABIE-DVS DARTMOUTH NEW Dartmouth hand dryer

Introducing the Dartmouth touch-free hand dryer, a sleek and efficient solution for modern washrooms. A stylish, reliable, and practical solution for any modern washroom. Crafted from premium 304 stainless steel, it's available in a sleek satin finish or a durable PVD coating in a range of beautiful colours. The compact design makes it ideal for space-saving installations, and the vandal-resistant construction ensures durability in high-traffic public areas. With a fast 10-second drying time and an automatic 60-second shutoff, this dryer offers both speed and energy efficiency.

Dartmouth hand dryer
