

Six person circular washtrough

SANX605

Six person circular washtrough - self-closing taps

Designed to be highly durable and water efficient and to withstand intensive use in a busy environments, the circular washtroughs are highly vandal resistant. The products are for up to 6 person operation with a choice of non-touch infra-red controls or manually operated self closing taps, designed to save water and energy with adjustable flow time. Both tap options are available with soap dispensers. The large floor mounted base provides good stability. Services are fed from below

and can be accessed through a side panel which are fitted with tamper proof security screws. The use of a single water supply and waste has a significant cost saving compared to conventional washbasins which need water supply and waste for each basin. Delivered fully assembled. Junior height version also available. Requires a minimum of 3.5 bar water pressure.

CE Certified
with 6 self-closing bibtap, for connection to pre-mixed warm water, with 3 integrated soap dispensers SD80
