

ASCO valve

AC17-015

ASCO valve

6v brass ASCO Valve with 28mm orifice size and 1 1/4" outlet connection. Latching operation.

Technical data

Weight	9kg
Voltage	6V DC
Power	6W
Body material	Brass
Seal material	NBR
Default state	Normally closed
Max working pressure	6 bar
Min working pressure	0.35 bar
Working temperature range	-10°C to 60°C
Orifice size	28mm
Connection	1 1/4" BSP
