

Miranit baby change with bag landing

ANMW0024

Miranit baby change with bag landing

Miranit baby change with right hand sink and bag landing. Made from Miranit resin-bonded mineral material with an alpine white gelcoat surface finish that's smooth, pore-free and temperature resistant up to 80°C. The unit comes with a seamlessly moulded bowl, baby change area with strap, a tap landing and changing bag storage space. The product is designed to sit on top of a vanity unit or supporting frame.

The basin is designed for extra hygiene for use with a runthrough waste (sold separately) and without an overflow. Dimensions: 2000 x 530 x 114 mm (W x H x D)
